WHOLESALE PRICE LIST—FOR THE TRADE ONLY

Season 1921-1922

TERMS AND CONDITIONS

We book orders in wholesale quantities only.

For convenience in telegraphing orders or inquiries we have inserted cipher words to indicate the grades of the various kinds of stock.

RATES—Apply as follows: When 10 trees and not over 50 are ordered the price will be 2½ cents per tree more than the price per 100. Orders for 50 trees or more up to 300, when not less than 10 trees of each variety, will be charged at the price per 100. Orders for 300 trees or more, when not less than 10 trees of each variety, will be charged for at the price per 1000.

SEASON—Our packing and shipping season begins by the 20th of September and continues until the 15th of March.

SHIPPING DIRECTIONS—We respectfully beg our patrons to furnish us with explicit directions as to shipping, and the mode of conveyance by which they wish their stock forwarded. When no particular directions are given we forward according to our best judgment, but in no case do we assume any responsibility as to safe delivery and condition of trees and plants after proper shipment by us.

GUARANTEE OF GENUINENESS—While we exercise the greatest diligence and care to have all our trees, etc., true to label and hold ourselves in readiness, on proper proof, to replace all trees, etc., that may prove untrue to label free of charge or refund the amount paid, it is mutually understood and agreed to between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally received for said trees, etc., that prove untrue.

ACCEPTANCE—Notice should be sent to us by telegraph, at our expense, if there is any cause for complaint, or should the trees, etc., be refused, stating reasons. CLAIMS FOR DEDUCTION, FROM WHATEVER CAUSE, WILL RECEIVE CONSIDERATION ONLY WHEN MADE PROMPTLY UPON RECEIPT OF THE STOCK. If trees show any signs of shrivelling upon arrival they can usually be restored by being thoroughly watered and buried entirely under the ground for two or three days. Should there be any frost in the trees, etc., upon arrival they should not be removed from boxes until the frost is all out. The box should be placed in the cellar or protected in some way. The presence of frost in the boxes is not to be considered an evidence of bad condition, as we pack to secure the stock against damage, if the frost is allowed to come out the natural way. Goods will be considered accepted if removed from the boxes in which they are packed without notice of complaint to us and without our orders for their disposition.

CAUTION—We accept all orders subject to our crop conditions and also upon the condition that they shall be void should injury befall the stock from frost, hail, storm, fire or other causes over which we have no control.

TERMS—Usual nurserymen terms. Cash or satisfactory reference is required of parties unknown to us.

PRICES—Are subject to change without notice, and are for stock F. O. B. Huntsville, Alabama, cost of boxes or bales to be added at the following prices:

30x30x10 feet	$4.00	18x24x10 feet	$2.75
30x30x7½ feet	3.50	18x24x7½ feet	2.50
24x30x10 feet	3.50	18x18x10 feet	2.50
24x30x7½ feet	3.25	18x18x7½ feet	2.25
24x24x10 feet	3.25	15x15x7½ feet	1.75
24x24x7½ feet	3.00	12x12x7½ feet	1.50

Bales 50 cents and up, according to size.

TO THE TRADE:

We take pleasure in presenting this our ANNUAL TRADE LIST in which we have listed all the stock we are growing for the wholesale trade together with the prices of the various items.

We call particular attention to our offerings in PEAR and PEACH. Of course the other stock offered is fully up to the standard

HEIKES—HUNTSVILLE—TREES,

but our blocks of TWO-YEAR PEAR and ONE-YEAR PEACH are by far the best we have grown in years, both as to growth, which is excellent, and the list of varieties which embraces all the most desirable sorts.

As usual, we expect to make St. Louis, Mo., and Rochester, N. Y., distributing points, and can nearly always give our customers the benefit of car lot rates to these two points provided we are given sufficient notice as to time of shipment to permit our arranging for car lot shipment.

We predict for this year a decided shortage in a great many items and urge our customers and friends to place their orders early enough to assure their getting the identical varieties and sizes wanted. Already we find a great many items running rather low. We, therefore, cannot urge you too strongly to BUY EARLY.

We shall be very glad to correspond with parties desiring more information on either varieties, sizes or descriptions, and, where the business justifies, we shall be glad to submit samples.
